

Rules and conditions of use of the Fesedit service supplied by Easy Innova S.L.

These are the rules and conditions of use of the service Fesedit (a carpooling service) supplied by EASY INNOVA SL, with VAT number B17807074, and contact address easy@udg.edu or +34 972418854.

The user of the service must accept these rules and conditions when registering. This document contains his/her rights and obligations, as well as the responsibilities and functions of EASY INNOVA.

Any claim, cause of action or dispute that may arise out of or relating to the application or interpretation of these rules and conditions of use will be resolved exclusively in the courts of the city of Girona (Spain), waiving any other jurisdiction.

General rights and obligations of the user

The user must use the resources and the information to which he/she will have access correctly, and devote them solely to the provision or reception of the service. The user authorizes the use of his/her data for the purposes of the terms indicated below. The user will notify any incidence related to software or the operation of the carpooling system to EASY INNOVA.

Registration confers the condition of user with no temporal limit. Both the user and EASY INNOVA may terminate their relationship at any time, prior communication to the other party. EASY INNOVA can cancel the registration of a user in case of breaching these rules and conditions of use. EASY INNOVA reserves the right to stop providing the service notifying it to the user with enough anticipation to not create him/her any prejudice.

The user agrees to use the valuation system objectively and to notify EASY INNOVA any incidence related to software or to the operation of the carpooling system.

The "Dits" and "Fets" system of the "fesedit" service intends to contribute to partially cover the costs of the drivers, not to remunerate them financially.

Users agree to use the "fesedit" service for non-professional uses and to act always under their full and sole responsibility. Users who act as drivers commit to hire an insurance service for their vehicle in accordance with current legislation.

Users that act as drivers agree to drive without putting passengers into road safety risks, and to not consume any alcoholic drink that affects them when driving.

Treatment of data

EASY INNOVA agrees to treat personal data of users, such as geo-location, solely for the objectives of the service. Data of users will be incorporated into the file "*Usuarios e-Hitchhiking*", which has been created by EASY INNOVA to organise and manage carpooling services. By reading and accepting this document, the users have information about the treatment of his/her data and give consent to carry out this treatment. They also admit that the operation of the system require that users know some data – only those essential - of other users as well as of the collaborating establishments, in order to get the services offered. The user authorises this treatment and claims to be informed that he/she has the possibility of accessing and modifying his/her data, and reject its treatment or cancel them by contacting EASY INNOVA by any mean. The user claims that the data he/she supplies are correct, exact and current, and agrees to update them when necessary.
